

DESCRIPTION

RX MICROFIBER CLEANING CLOTH is a premium cleaning tool designed to care for all types of automotive surfaces . Made from ultra fine synthetic fibers providing superior cleaning and detailing results.

PROPERTIES

- **Versatile use** , ideal for interior and exterior surfaces, including dashboards, windows, and wheels.
- **Gentle on all surfaces** ,safe for paint, glass, chrome, and plastic without causing scratches.
- **Traps dust and dirt** , microfiber fibers lift and hold particles instead of spreading them.
- **Highly absorbent** , soaks up water, soap, and cleaning products efficiently.
- **Streak-free finish** , leaves no lint or residue behind for a spotless shine.
- **Durable and reusable** , withstands many washes without losing effectiveness.
- **Quick-drying** , dries faster than traditional cloths, reducing the risk of mildew.

DIRECTIONS

Multiple usages for microfiber cloth on a vehicle:
Wipe down dashboards, consoles and trim. Cleaning glass, drying the car, polishing/waxing and interior detailing: quick touch-Ups.
Perfect for windows, mirrors and polishing, leaving no residues or streaks.
